

## **I DON'T LOVE HIM**

*Music by Diego Las Heras and Cèlia Pallí*

*Lyrics by Cèlia Pallí*

There was music in the air  
We let things drown  
And now there's nothing there  
And now there's nothing there

The current's strong  
Floating along  
It's hard to stay when  
No one's holding on  
No one's holding on

I thought he  
Didn't want me to pretend  
He thought we,  
We'd stay together till the end

I don't love him  
No, I don't love him  
And he don't love me anymore  
Let's end this war  
I don't love him  
No, I don't love him  
And he don't love me anymore  
Let's end this war

How come the stars  
Once shone so bright  
How come the moon  
Now tends to hide at night  
Now tends to hide at night

We got caught up  
Playing this game  
Fighting our fate  
So we don't fade away  
So we don't fade away

I thought he  
Didn't want me to pretend  
He thought we  
We'd stay together till the end

I don't love him  
No, I don't love him  
And he don't love me anymore  
Let's end this war  
I don't love him  
No, I don't love him  
And he don't love me anymore  
Let's end this war

Thought he was the one  
The only one  
Nothing could come  
Between him and I  
(Nothing at all)  
Only my reflection in his eyes  
It was a time  
When all was fine  
Gave up everything  
In my life  
(Gave up my all)  
Don't think we can save this  
At all

I don't love him  
No, I don't love him  
And he don't love me anymore  
Let's end this war  
Cause I don't love him  
No, I don't love him  
Anymore  
Let's end this war  
I don't love him  
No, I don't love him  
No, I don't love him anymore
